

## Delusion

Falconer

Grasp your sword so blindly,  
Time is in for holy war.  
In the sign of a fairy tale  
You sacrifice your precious life.

Yield to the nonsense,  
Yield to the dogmatic scheme.  
Kneel down embrace it,  
Indoctrination supreme.

What is your inner holy delusion?  
Will stupidity be canonized?  
Would the Prophet or the Messiah  
Then really welcome you in?

On a mission of evil  
By a dreamer sanctified.  
None believers shall suffer  
For not believing the same lie.
