

# Hey You

Fallulah

Take my heart and take it fast  
I don't ever want it back  
Nothing good has ever come from it for you  
pleading for another chance  
Don't you see that's what you get?  
Take your life and run with it  
Won't you?

Hey you  
What's on your mind?  
I can dig it out but I don't have time  
Hey you  
What's on your mind?  
I can dig it out but I don't have time  
I'm going somewhere and I'm leaving you here  
I'm going somewhere and I'm leaving you here

You can't be another guy  
Doesn't matter if you try  
If we don't see eye to eye we're through  
And I can't be another me  
I tried and failed so miserably  
There is nothing left to see for you

Hey you  
What's on your mind?  
I can dig it out but I don't have time  
Hey you  
What's on your mind?  
I can dig it out but I don't have time  
I'm going somewhere and I'm leaving you here  
I'm going somewhere and I'm leaving you here
