

# Already Gone

Family of the Year

Remember all the things we wanted  
Now all the memories, they're haunted  
We were always meant to say goodbye  
Even with our fist held high  
It never would've worked out right  
We were never meant for do or die

I didn't want us to burn out, I  
Didn't come here to hurt you  
Now I can't stop

I want you to know  
That it doesn't matter  
When we take this road  
But someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone

Looking at you makes it harder  
But I know that you'll find another  
It doesn't always make you wanna cry  
It started with the perfect kiss then  
We could feel the poison set in  
Perfect couldn't keep this love alive

You know that I love you, so  
I love you enough  
To let you go

I want you to know  
That it doesn't matter  
When we take this road  
But someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone

Remember all the things we wanted  
Now all the memories, they're haunted  
We were always meant to say goodbye

I want you to know  
That it doesn't matter  
When we take this road  
But someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone  
I'm already gone

Remember all the things we wanted  
Now all the memories, they're haunted  
We were always meant to say goodbye
