

Blue Jean Girl

Family of the Year

She was born in the back of a pick up truck
Hairspray queen with a ton of bad luck
In that town we were stuck
We grew up then we grew apart
I guess I had to break her heart
We held each other in the dark

Blue jean girl
Blue jean girl
Gold chained girl
Grey sky girl

Step away from that airplane
It'll only drag you away
We don't want you to be gone
If it's time to get a move on
You know you got to be brave
Keep your heart safe
Sorry if I made you cry
Sorry that I lied and I'm sorry that I didn't try
To be good and strong
So you could hold on

Blue jean girl
Blue jean girl
Gone now girl
It's your world

Your alright your just driving around
Some other dudes town

We don't want you to be gone
If it's time for you to move on
You know you go to be brave
And keep your heart safe
Sorry if I made you cry
Sorry that I lied and I'm sorry that I didn't try
To be good and strong
So you could hold on

She was born in the back of the pickup truck
Hairspray queen with a ton of bad luck.
In that town we were stuck
We grew up then we grew apart
I guess I had to break her heart
Say goodbye in the dark

We don't want you to be gone
But if it's time for you to move on
You know you got to be brave
And keep your heart safe
Sorry if I made you cry
Sorry that I lied and I'm sorry that I didn't try
To be good and strong
So you could hold on

We don't want you to be gone

But if it's time for you to move on
You know you got to be brave
And keep your heart safe
Sorry if I made you cry
Sorry that I lied and I'm sorry that I didn't try
To be good and strong
So you could hold on
