

Let Her Go

Family of the Year

Do you want to know
How far I've come and how far I'm willing to go
Do you want to see
Who I've been and who I'm going to be

Even though I need a little more love
I need a little more time
You know I've got to let it go
I've got to let it go
I need a little more love
I need a little more time
You know I've got to let it go
I've got to let her go

Do you want to try
Maybe meeting somewhere up in the sky
And I'll be there
Telling you we never should have said goodbye

Even though I need a little more love
I need a little more time
You know I've got to let it go
I've got to let it go
I need a little more love
I need a little more time
You know I've got to let it go
I've got to let her go

(Goodbye sunshine)
I've got to let it go
(Hello night time)
I've got to let her go
(Goodbye sunshine)
I've got to let it go
(Hello night time)
I've got to let her go
(Goodbye sunshine)
(Hello night time)
(So I hide)

Even though I need a little more love
I need a little more time
You know I've got to let it go
I've got to let it go
I need a little more love
I need a little more time
You know I've got to let it go
I've got to let her go

I've got to let it go
(Goodbye sunshine)
I've got to let her go
(Hello night time)
I've got to let it go
(Goodbye sunshine)
I've got to let her go
(Hello night time)

I've got to let it go
(Goodbye sunshine)
I've got to let her go
(Hello night time)
(Goodbye sunshine)
