

# Tear Me Apart

## Famous Last Words

I am awake!  
My demons that I've defeated  
Have come back to reality.  
He doesn't know I'm still alive  
I've got the element of surprise on my side  
Evil or righteousness  
What should I do with it?

So far he hasn't seen me  
If I'm quiet I could crawl and sneak right over to the closet  
Where my son's locked up and guarded  
But I'm presented with this quandary  
Once in a lifetime opportunity  
To take advantage and avenge  
And do some damage.  
Take my sweet revenge!

Could pulverize, I could punish him!  
Mutilate him like in my dreams  
Or should I make my great escape?  
Just take my son and run away

I will not fall  
I will not follow your ways into the dark  
(I won't be torn apart)  
Temptation is there  
Question is should I end him, leave, and make a new start?  
Make a new start

Wanna make him bleed  
feel the suffering!  
Trauma he inflicted on me  
I decry, cause he deserves to die!  
Should I flee or should I end his life?  
Bleed!  
feel the suffering!  
Trauma he inflicted on me  
I decry, cause he deserves to die!  
Should I flee or should I end his life?

I will not fall  
I will not follow your ways into the dark  
(I won't be torn apart)  
Temptation is there  
Question is should I end him, leave, and make a new start?  
Make a new start

Get up behind you  
Snuck up a knife before me lies a chance to end you.  
(A chance to end you.)  
Now what will I do?  
Give you a dose of your own medicine in the syringe,  
I'll take it and I'll push it in your skin!

Wanna make him bleed  
feel the suffering!  
Trauma he inflicted on me

I decry, cause he deserves to die!  
Should I flee or should I end his life?

I will not fall  
I will not follow your ways into the dark  
(I won't be torn apart)  
Temptation is there  
Question is should I end him, leave, and make a new start?  
Make a new start

I didn't fall  
I didn't follow your ways into the dark  
(Into the dark)  
I will never become the despicable monster that you really are.  
You can't tear me apart!
