

Check It Out

Fancy

Oh, what a feelin'
Now you got me reelin'
Oh, got me tremblin'
Now you got me meltin'

Oh, got me sighin'
Now you got me flyin'
Oh, I'm ascendin'
Feel I'm on the ceilin'

I've got a feeling I'm in flight
I wanna take her to desire
She's gonna blind me by the light
She's looking easy
and she's gonna get the lion's share tonight

She wants a good time
She wants the boogie tones
So turn the lights down
Ain't got nothin' here to lose
Check it out!

Check it out!

Oh, what a feelin'
Now you got me reelin'
Oh, got me tremblin'
Now you got me meltin'

Oh, got me sighin'
Now you got me flyin'

Stay awhile, never go
Tell me now, stay alive, gotta know

Feel the beat, boogie down
Get it on, come on strong
Check it out
Ha ha!

Oh, what a feelin'
Now you got me reelin'
Oh, got me sighin'
Now you got me flyin'

This little lady's got some style
But now I'm gonna synchronize her
I know she's very versatile
This time I'm going to surprise her
