Love is what I need back
I can give it on a telephone

Jump back get back
Chasing up the wrong track
Wait until I get you all alone

Love me plainly
Burn me up and save me
Turn me on a hundred kilobytes

Stay,
Why you aren't tellin' me that you can't
'cause you're the one that I want
You know you're driving me crazy, crazy, crazy, oh

Want,
I'm telling you what I want
And you can sure make me happy, happy
Honey I want you do it

Another girl on the go
Say that's no other trappy
Don't be so slow
Put on the show
Why aren't you making it snappy
