

# L. A. D. Y O.

Fancy

Another day, another night in the city  
A not expected change that will be deadly  
We both are dressed up to kill, moving at full speed  
I see a moment inside, it's gonna control me now

Your lips are colder than ice  
I'll get them burning tonight  
This is the moment for take off  
And then we've started, there's no stop

L.A.D.Y.O.  
Chain me, I can't stand no more  
L.A.D.Y.O.  
Gonna like it for sure

Tie me up, give me pain  
Run a storm into my veins  
Do it

Body heat, feel the beat  
Got your rhythm, keep on rolling  
Rolling!

L.A.D.Y.O.  
Chain me, I can't stand no more  
L.A.D.Y.O.  
Gonna like it for sure

You started fire in me  
Don't know how to cool it  
You started playing with me  
Why don't you end it?

My pleasure's high enough  
Come on and save me now  
I can't resist you no more  
Go on and take me now

Your lips are colder than ice  
I'll get them burning tonight (Tonight)  
This is the moment for take off  
And then we've started, there's no stop

L.A.D.Y.O.  
Chain me, I can't stand no more  
L.A.D.Y.O.  
Gonna like it for sure

L.A.D.Y.O.  
Chain me, 'cause I want it so

L.A.D.Y.O.  
I don't want you to go

(I don't want you to go  
I don't want you to go)

Feeling you, playing rough  
Show me all your evil stuff  
Do it

Stain my soul, blow my mind  
Hot as hell like all the time  
Cool it!

Tie me up, give me pain  
Run a storm into my veins  
Do it

Body heat, feel the beat  
Got your rhythm, keep on rolling  
Rolling!

L.A.D.Y.O.  
Chain me, I can't stand no more  
L.A.D.Y.O.  
Gonna like it for sure
