

# You Call Everybody Darling

**Faron Young**

You call everybody darling and everybody calls you darling too  
You don't mean what you're saying it's just a game you're playing  
But you'll find out that I can play the game as well as you  
If you call everybody darling then love won't come a knocking at your door  
And as the years go by you'll sit and wonder why nobody calls you darling anymore  
You call everybody darling...  
Nobody calls you darling anymore
