

# I Am Alright

Fast Food Orchestra

What I gotta say you're still standing on my mind  
But I wanna tell you that I'm feeling alright  
Nothing's gonna break me I'm not scared I'm not afraid  
My life's finally easy I don't care that it's to late  
I say: life is blu and bitter time to time  
But it doesn't matter dreams are mine

I'm alright I can't stand it anymore  
Mammas alright and pappas alright  
I'm alright  
I'm alright I can't stand it anymore  
I am alright I'm really alright

No I don't get angry about the words that people say  
Because it doesn't matter time will blow them all away  
Oh no you don't need to run and you don't need to plan  
All you need is love and fun man do the best you can  
I say: life is a game sometimes you loose sometimes you win  
Sometimes it's hard to play but let the party time begin
