

Over Again

Fast Food Orchestra

I know you want it
Coz you hurt me then do it to me again
It's sad you do it over and over
That game will always be same
When you're coming to me (Oh no)
I just feel your heart beat (Oh no)
I can see it in your eyes (Oh no)
But no Im someone else

I never meant to make you cry
And if i ever see it again
I will know your love never die
But baby i just feel the same
It doesn't matter if it hurts

It doesn't matter if it hurts
You just have to go his way
I'm sorry that I say good bye
I'm sorry that i Hurt you again

You know you want it
Coz you hurt me then do it to me again
It's sad you do it over and over
That game will always be same
When you're coming to me (Oh no)
I just feel your heart beat (Oh no)
I can see it in your eyes (Oh no)
But no Im someone else...
