## **Altamont**

## **Fastball**

Altamont now won't be the same When we see each other again If it all falls apart, who is to blame?

Don't you think it's time to get real? I wanna scream out the way I feel I'm so tired of watching you bail

Hey, don't try to tell me it's okay Don't turn me off and walk away You've gotta say it's straight

Close the door but it won't go away Tell me that it's at your control I'm not waiting for you anymore

Hey, don't try to tell me it's okay Don't turn me off and walk away You've gotta say it's straight

Altamont, I'm on your side Believe it or not, I'm on your side It's so hard to be your friend sometimes

Hey, don't try to tell me it's okay Don't turn me off and walk away You've gotta say it's straight You'd better say it's straight
