

# Annihilation Betrayer

Fastkill

There are no favors there are no saviors  
False messiah  
Compulsion of betrayers  
Addicted to power

Disgusted  
Now is the time  
To strike back

Torture! Into confession  
Torture! Death agony  
Torture! Just can't wait  
Torture! By fire

Side with the strong and crush the weak  
All you see is money  
The poor are left to help themselves  
Abuse of power
