

A Pleasant Shade of Gray Part II

Fates Warning

Are you listening
Am I here screaming?
Drowning in a silent sea
Or only dreaming?

Drifting in and out
His mind never rests
Lying in shadows
Replaying a thousand regrets

Can you hear me
Am I getting through?
A million miles away
Or here beside you?

Drifting in and out
His heart never forgets
Lying in shadows
Replaying a thousand regrets

And the minutes just pass
As the hours change
And the shifting sands
Slowly rearrange

Drifting in and out
His mind never rests
Lying in shadows
Replaying a thousand regrets
