

Am I Blue

Fats Domino

Am I Blue
Am I blue
Am I blue
Ain't these tears
In these eyes tellin' you
Am I blue
You'de be too
If each plan with your girl
Done fell through
Was a time I was her only one
But now I'm the sad and lonely one
Lonely one
Was I gay
Till today
Now she's gone and we're through
Am I blue
Was a time I was her only one
But now I'm the sad and lonely one
Lonely one
Was I gay
Till today
Now she's gone and we're through
Am I blue
