

# I'm in the Mood for Love

Fats Domino

Well I'm in the mood for love  
Simply because you're near me  
Funny but when you're near me  
I'm in the mood for love  
Heaven is in your eyes  
Bright as the stars we're under  
Oh is there any wonder  
I'm in the mood for love  
Why stop to think of weather  
This little dream might fade  
We've put our hearts together  
Now we are one I'm not afraid  
If there are clouds above  
If it should rain we will let it  
But for tonight forget it  
I'm in the mood for love

Why stop to think of weather  
This little dream might fade  
We've put our hearts together  
Now we are one I'm not afraid  
If there are clouds above  
If it should rain we will let it  
But for tonight forget it  
I'm in the mood for love
