Woke up this mornin' Feelin' low Where my loved one used to live She ain't there no more Poor me Why such bad luck fall on me? Poor me I'm living in misery What I'm gonna do Is hard to tell I'm not gonna kill myself Though I might as well Poor me Why such bad luck fall on me? Poor me I'm living in misery All I do All day long Fall down on my knees and pray She'll come back home Poor me Why such bad luck fall on me? Poor me I'm living in misery All I do All day long Fall down on my knees and pray She'll come back home Poor me Why such bad luck fall on me? Poor me I'm living in misery
