South of the Border

Fats Domino

South of the border down Mexico way
That's where I fell in love
When the stars above came out to play
And now as I wonder

Their thoughts ever stray South of the border down Mexico way She was a picture in old spanish lace Just for a little while

I kissed the smile upon her face For it was "fiesta" and we were so gay South of the border down Mexico way Then she sighed as she whispered "manana"

Never dream that we were parting
And I lied as I whispered "manana"
'Cause our tomorrow never came
South of the border I rode back one day

There in a veil of white by candlelight She knelt to pray But the mission bells told me That I mustn't stay

South of the border down Mexico way Ay-ay-ay-ay ay-ay-ay Ay-ay-ay-ay ay-ay-ay
