What a Price

Fats Domino

Oh what a price I had to pay For loving you, you, you

I bought a house, a diamond ring I had to give up everything Oh what a price I had to pay For loving you, you, you

I stopped my rambling, I even stopped gambling And I stopped staying out all night
Oh what a price I had to pay
For loving you, you, you

I tried so hard to do what's right But you only wrecked my life Oh what a price I had to pay For loving you, you, you

You've heard my story. I've sung my song So, goodbye baby, I'm gone
Oh what a price I had to pay
For loving you, you, you
