Yey, look around
It's Faydee (Faydee) and the lady Kat DeLuna
Okay, Leftside, Leftside

Your love, your type is the only thing I need Right here in my life (my life)
You're the only one for me
No more lonely nights
Girl, you know I'll always be
(There for you, girl)
Right here when you need
(What you said?)
This is what she told me

Oh, why, why, why, why (yeah)
Why when I see you I go crazy?
Yeah, I lose my mind (wow, wow)
Yeah, that's my baby
She can get it tonight, get, get it, it's the life
Kiss on your neck the way that you like
No-no-nobody, no-no-nobody,
Nobody loves you like I do

If you ever love, girl, I'm your love No-no-nobody, no-no-nobody, Ain't one got that feelings for you Nobody loves you like I do If you ever love, girl I'm your love No-no-nobody, no-no-nobody, Ain't nobody will, nobody-body Nobody loves you like I do

Boy I'm so alive

You stay on my mind (on my mind, yeah)
You're my favourite melody
No more lonely nights

Kiss on your neck the way that you like
No-no-nobody, no-no-nobody,
