

## No Love to Scorch

FDK

Time reminds me again  
now to wake been sleeping in the river  
dancing shadows tempt  
me to breathe more than ever

Clouds slowly drift away  
Now to run Along the shore  
of the river

In this thrilling game  
Lead me know  
Ash-filled heart  
inside her

Only a dream confuse my mind  
Again as always, every time  
Alone in death , it welcomes me  
Love to scortch I cannot find !
