## **A Gift For Fiction**

## **Fear Before The March Of Flames**

OH MY GOD
What have we learned?
OH MY GOD
We're doomed from the start

It's time to admit we're wrong and move on Kick our habits, self improvement Is anyone getting nervous?

We should all be afraid to die

I don't care as long as we, as long as we get there Get there

Fought, you fought and you got what you want out of me Caught, don't get caught, you'll be fucked if you know what I m ean

Are you scared you can't tell me what your life's about? Thought provoking, it's all we need. It's all we need.

THE FEAR OF GOD IN US IN ALL OF US
