

Fear Of Domination

Fear Of Domination

Puppets of society
controlled, no souls
dominated by fear
ruled by few

Robots of society
numbered, no will
dominated by war
treated as a dog

What is real anymore?

WHEN DO WE DARE TO SAY NO?
FEAR OF DOMINATION!
INSTRUMENTS OF GOVERNMENTS
TOYS OF MASTERS!

Living in a world of lies
things not to be told
what is real anymore
are we only subject to
the domination?
