

## Full Confession

Feargal Sharkey

This is no time for turning corners  
I can't hide it no more  
I want to make a full confession  
Never felt this way before  
You were always on the side lines  
In a second feature show  
But that was from some different nightmare  
How was I to know

Full confession  
I wanna make a  
Full confession

Well I guess I always knew it  
Somewhere deep inside of me  
There would come along a stranger  
Who just wouldn't let me be  
I used to stand around for hours  
Pretending I was strong  
But then you called the hand I dealt you  
You showed me right from wrong

Full confession  
I wanna make a  
Full confession  
Gonna make a  
Full confession  
Of our love

Well I have sinned against tomorrow  
Every time I said goodbye  
Then I said I didn't need you  
That was just a lie  
Now I'm feeling so much better  
You always said I would  
Now I've made my full confession  
Man it felt so good
