

Mr. Red Eye

Feed the Rhino

Wake up, wake up, wake up
Can't you see that the boys are out?
Feel the mood change
Get up, get up, get up
There's no time for praying with the priest
We're creatures you don't see

So there is the entrance
And there's the exit, if you don't like it,
Fucking use it with no ill intentions
Bring out the demons, bring out the demons in yourself
As I wander around in these circles
To be a part of a puzzle, no
Freed hearts...

So pull up your skirt, the girl at the back, I'm the man at the front with the red eye
Sorry man, was that your girl, you should have said

Oh... Oh... Oh...
Oh... Oh... Oh...
Oh... Oh... Oh...
Oh... Oh... Oh...
Oh... Oh... Oh...

So this is the exit
And you'll never, never tell us that we'll be down
This is the exit
And you'll never, never,
No...
