

Fightin' Away The Tears

Feist

Mocky:

Fighting away the tears
Fighting away the tears
I've been holding on for years
Fighting away the tears

Feist:

I woke up in the middle of the night
Dreaming I had you by my side
You saw my hair look like a bird's nest
I swear I'll make you forget all the rest

Then I saw that I was all alone
Your location, I did not know
It was a dream, nothing more, nothing less
I guess there's still a couple things I regret
That's why I'm

Fighting away the tears
Fighting away the tears
Holding on for years
Fighting away the tears

Mocky:

My tears fall like rain drops
The years passed like pills pop
Like smoke in my eye
Like pigs, they don't fly
Like Santa he don't care

My rainbow's gone nowhere
The sound of your voice
Replaced by white noise
I don't want time to erase
My memories of your face
That's why I keep on fighting
That's why I keep providing
Goosebumps in my song writing

Feist:

Fighting away the tears
Fighting away the tears
Holding on for years
Fighting away the tears

Oh, don't you worry
I'll keep on fighting
I'll keep on calling your name in my dreams

Mocky & Feist:

In my dreams (in my dreams)
In my dreams (in my dreams)
In my dreams (in my dreams)

Fighting away the tears
Fighting away the tears
And I've been holding on for years

Fighting away the tears
