

# My Girl The Horse

## Fences

Please sir don't you ride on me,  
Please sir don't you ride on me.  
'Cause everyday we fuss and fight,  
Everyday we fuss and fight.  
Please girl don't you die on me,  
Please girl don't you die on me.  
'Cause everyday we fuss and fight,  
Everyday we fuss and fight.

"Neither one of us will make it down this,  
hill alive.  
Neither one of us will make it down this,  
hill alive." - she said. (2x)
