

# Gods Were Angry With Me

Ferlin Husky

The Gods were angry with me for loving you  
The Gods were angry with me because they knew  
I stood at heaven's portal and that was too high for any model  
such as I  
So they took down the sun the skies were gray  
Then the howling winds took you away  
And there was nothing I could do  
Because I knew the Gods were angry with me for loving you  
Once upon a time when our love was new  
And I was happy with the love that I've found  
Then the Gods and the sun and the moon and the stars looked down  
And saw me there with you  
And they sent my dream world crash into the ground  
(It was because the Gods were angry with me)  
The Gods were angry with me
