I Really Don't Want To Know

Ferlin Husky

How many arms have held you And hated to let you go? How many? How many? I wonder But I really don't want to know

And how many lips have kissed you And set your soul aglow? How many? How many? I wonder But I really don't want to know

So always make me wonder And always make me guess Even if I ask you Darlin', don't confess

No you just let that remain your secret Cause darlin', I do love you so How many? How many? I wonder But I really don't want to know

How many? How many? I wonder But I really don't want to know
