

Over You

Ferlin Husky

Over you I'm hurtin' over you and it's such a foolish thing to
do
But I can't get over you
Over you I'm cryin' over you and I'll never find someone new
Cause I can't get over you
Just about the time I think I've got it made
Someone speaks your name am I to blame
Over you I'm hurtin' over you and I'll never find someone new
Cause I can't get over you
Over you I'm cryin' over you and it's such a foolish thing to d
o
But I can't get over you
