I feel tears wellin' up cold and deep inside like my heart's sprung a big break

And a stab of loneliness sharp and painful that I may never shake

You might say that I was taking it hard oh she wrote me off wit h a call

But don't you wager that I'll hide the sorrow when I may break right down and bawl

Now the race is on and here comes pride up the backstretch Heartaches are going to the inside my tears are holding back th ey're tryin' not to fall

My heart's out of the running true love scratched for another's sake

The race is on and it looks like heartaches and the winner lose s all

One day I ventured in love never once suspecting what the final result would be

How I lived in fear of waking up each morning and findin' that you're gone from me

There's ache and pain in my heart for today was the one that I hated to face

Somebody new came up to win her and I came out in second place Now the race is on...
