

Set Me Free

Ferlin Husky

If you think you've had enough if you think our life's been rough
Why not take your love light off of me and set me free
If you think our love's all wrong if you feel the fire is gone
If I'm not what you'd like for me to be then set me free
Set me free and let me fly like a bluebird fly in high
Release the chains that bind you and me and set me free
Set me free and let me fly
Set me free set me free set me free
