She Called Me Baby

Ferlin Husky

She called me baby baby all night long Used to hold and kiss me till the dawn And one day I awoke and she was gone There's no more baby baby all night long She called me baby baby all night long

Kissed my tears away when things went wrong What I'd give if she'd just come back home

And call me baby baby all night long She called me baby baby all night long Lift me up so high and made me strong Now each night in dreams just like a song I still hear baby baby all night long
