Born Helena Jane With a restless soul She moved west to California Became a centerfold

But once you change your name Well the pieces fall Now she hardly recognizes Herself at all

And there's never any rain, when you want it A hollow little game, and you've won it Looking for a thrill, but you've done it all

So long, put your blue jeans back on girl Go Home
Remember, Hollywood's Not America
So long, put your blue jeans back on girl Go Home
Remember, Hollywood's Not America
O yea

And everybody here's from somewhere else You could make a million dollars, but you might lose yourself And you can take the heat will your heart go cold They say acting's just pretending, even that gets old

And there's never any rain, when you want it A hollow little game, and you've won it Looking for a thrill but you've done it all

So long, put your blue jeans back on girl Go home Remember Hollywood's not America So long put your blue jeans back on girl Go home Remember Hollywood's not America

And I know what you're doin'
I know that you
You can be anything you want to be

So long, put your blue jeans back on girl Go home
Remember Hollywood's not America
So long put your blue jeans back on girl Go home
Remember Hollywood's not America
Hollywood's not America
It's not America
