

# No Good In Goodnight

Ferras

(Good night, bad girl, good night, bad boys)  
I've been trippin' all night of your energy  
My bones feels so like I got no density  
In these lights with this bass you make sense to me

Good things I've got potions that set you free  
Two shots and one kiss, that's the recipe  
So you wanna go hard that's my specialty

Turn up the music and you'll feel my heart  
Beat like the boom like the speakers we're on  
Oh oh, this voice gonna flat 'till these battles are gone

Ooh oh, there's no good in goodnight  
Let's be bad and stay high  
Ooh oh, we gon' do what we like  
We gon' get it tonight  
I guess you're my ripper, stay high  
Ooh oh, there's no good in goodnight  
No good in goodnight

(Good night, bad girl, good night, bad boys)

Just in moments people can come and go,  
In this moment is all I want to know  
Tomorrow we'll talk, right now is physical

Turn up the music and you'll feel my heart  
Beat like the boom like the speakers we're on  
Oh oh, this voice gonna flat 'till these battles are gone

Ooh oh, there's no good in goodnight  
Let's be bad and stay high  
Ooh oh, we gon' do what we like  
We gon' get it tonight  
I guess you're my ripper, stay high  
Ooh oh, there's no good in goodnight  
No good in goodnight

Under these lights we gon' heal it tonight  
Under these lights there's no good in goodnight  
Turn up the music  
Turn up the music  
Turn up the music

Ooh oh, there's no good in goodnight  
Let's be bad and stay high  
Ooh oh, we gon' do what we like  
We gon' get it tonight  
I guess you're my ripper, stay high  
Ooh oh, there's no good in goodnight,  
No good in goodnight

Ooh oh, there's no good in goodnight,  
No good in goodnight  
Ooh oh, there's no good in goodnight,  
No good in goodnight

I guess you're my ripper, stay high  
Ooh oh, there's no good in goodnight  
No good in goodnight
