I See Fire (Ed Sheeran Cover)

Feuerschwanz

Oh misty eye of the mountain below Keep careful watch of my brothers' souls And should the sky be filled with fire and smoke Keep watching over Durin's sons (sons sons)

If this is to end in fire, then we should all burn together Watch the flames climb high into the night Calling out father oh, stand by and we will Watch the flames burn auburn on the mountain side

And if we should die tonight, we should all die together Raise a glass of wine for the last time Calling out father oh, prepare as we will Watch the flames burn auburn on the mountain side Desolation comes upon the sky

Now I see fire, inside the mountain I see fire, burning the trees
And I see fire, hollowing souls
I see fire, blood in the breeze
And I hope that you remember me

Oh, should my people fall then surely I'll do the same Confined in mountain halls, we got too close to the flame Calling out father oh, hold fast and we will Watch the flames burn auburn on the mountain side Desolation comes upon the sky

Now I see fire, inside the mountain I see fire, burning the trees
And I see fire, hollowing souls
I see fire, blood in the breeze
And I hope that you remember me

And if the night is burning, I will cover my eyes
For if the dark returns then my brothers will die
And as the sky's falling down it crashed into this lonely town
And with that shadow upon the ground I hear my people screaming out

Now I see fire, inside the mountain
I see fire, burning the trees
I see fire, hollowing souls
I see fire, blood in the breeze
I see fire (oh you know I saw a city burning out)
I see fire (feel the heat upon my skin) (fire)
I see fire (fire)
And I see fire burn auburn on the mountain side
