Let's meet up
When the time is right
The time is right
The time is right
Well I don't know about you
I don't know about you

Let's find out
What you are about
What's hidden in there
What you've got for me there
Well I don't know about you
I don't know about you

I know the way to fantasy
The world of dreams
The place to be
Well I don't know about you
I don't know about you

Let's find out
If our spirits meet
Let's push and tweak
Let our spirits cheat
'Cause I don't know about you
No I don't know about you

You can trust me baby The scratch right there You can trust me baby You can trust me baby

Well I don't know about you I don't know about you

Anybody
Who's coming with me
Gotta love my tracks
And swing an axe
No I don't know about you
I don't know about you

Don't know don't know don't know

Well I don't know about you I don't know about you But I don't know about you I don't know about you
