

## Triangle Walks

Fever Ray

An apple and a berry plant  
Comes with a house  
On the grass  
Who is that  
To come by my house

Stands outside my window  
Sucking on the berries and  
Eats us out of house and home  
Keeping us awake  
Keeping us awake

Can I come over, I need to rest  
Lay down for a while  
Disconnect  
The night was so long  
The day even longer  
Lay down for a while  
Recollect

Five AM  
Out again  
Triangle walks  
Magpies, I throw sticks at them  
They laugh behind my back

Getting a feeling  
Maybe I will dream again  
Having that feeling  
When there's no one awake  
No no one awake

Can I come over, I need to rest  
Lay down for a while  
Disconnect  
The night was so long  
The day even longer  
Lay down for a while  
Recollect
