

"I am an American Soldier."

You hold salvation in the palm of your hand  
Will you seize it? Will you take a stand?  
The streets are swarming, someone's gonna get stung  
It's so much harder when you're under the gun

You hold salvation in the palm of your hand  
Will you seize it? Will you take a stand?

Revolt resist  
Course-corrected, conscience clean  
Revolt resist  
Target-blinded killing machine  
Revolt resist  
Pledge allegiance to the code  
Revolt resist  
Plead the second and reload

They try to sell you on diplomacy  
That only works when the beers are free  
A leaky boat on the rivers of hate  
A token gesture that comes too late

"I am an American Soldier.  
I am a warrior and a member of a team.  
I serve the people of the United States, and live the Army Values.  
I will always place the mission first.  
I will never accept defeat.  
I will never quit.  
I will never leave a fallen comrade.  
I will never leave a fallen comrade..  
I am an American Soldier !"

You hold salvation in the palm of your hand  
Will you seize it? will you take a stand?

Revolt resist  
Course corrected, conscience clean  
Revolt resist  
Target-blinded killing machine  
Revolt resist  
Pledge allegiance to the code  
Fuck you, fuck this  
Senses back on overload
