

Glue

Fickle Friends

Oooh

Cool yourself down
I think I'm getting stuck
I think I'm getting hooked on you
Your cheeks are so warm
And mine are glowing too
Yeah, I can feel our lips like glue

So what are we thinking
And what are we here to prove
Let's stop being public
I guess we should get a room
Oh, I don't believe it
Yeah, I think I have a screw loose
I think you have a screw loose too

So oooh
Because our lips are like glue
I think I love you
So oooh
Yeah, I wanna love you
I wanna love you for the night

Don't beat yourself up
It's something that I've done
It's something that we all go through
Let's finish up our drinks
We better make a move
Cause we could carry on til two

I know what you're thinking
I know that it's not like you
Your heartbeat is so quick
When you say, "Let's rendez-vous"
Oh, I don't believe it
Yeah, I think I have a screw loose
I think you have a screw loose too

So oooh
Because our lips are like glue
I think I love you
So oooh
Yeah, I wanna love you
I wanna love you for the night

So do you want to
Want to go (go, go)
Cause I want you
And you know (know, know)
So do you want to
Want to go (go, go)
I want to love you

I'm so ready to go home
So call us up a cab and stop me feeling lonely
Why don't you give me your number

It's time to call a cab, stop spending all your money

So oooh

Because our lips are like glue

I think I love you

So oooh

Yeah, I wanna love you

I wanna love you for the night

So do you want to

Want to go (go, go)

Cause I want you

And you know (know, know)

So do you want to

Want to go (go, go)

I want to love you

Oooh

Oooh
