

Swim

Fickle Friends

Always teaching me how to be
When your folks are not here to see
You crashing on the floor with me
But I can't sleep
And I don't wanna know
You've found another place to go
I copy everything practical
And for the last time I am sure

Oooh oooh, ooh
You are not alone
Oooh ooh
For the last time I am sure
Oooh oooh, ooh
You are not alone
Oooh ooh
For the last time I am sure

Hey
I know what to feel when you decide, oh why
Hey
Where is the appeal when you don't try, try?

It's your only way to live
Three doors down and one room in
I lose my mind amongst your things
But I can't swim
It's the same, it's just like then
When I was nine and you were ten
I'm wishing we would still be friends
Where we move is where we end

Oooh oooh, ooh
You are not alone
Oooh oooh
For the last time I am sure
Oooh oooh, ooh
You are not alone
Oooh ooh
For the last time I am sure

Hey
I know what to feel when you decide, oh why
Hey
Where is the appeal when you don't try, try?

Hey
But I can't swim
But I can't swim
But I can't swim
But I can't swim

Hey
I know what to feel when you decide, oh why
Where is the appeal when you don't try, try?

Hey

I know what to feel when you decide, oh why
Hey
Where is the appeal when you don't try, try?
