

Lights Up

Field Music

Lights
I'm ready
Pull back the curtains
And be quiet
I've
Been waiting
To tell you

You
Told me and I believed you
Just a second ago
But here
In the black
Why has everything changed

Stranger
I've known you so well
But you've turned on me
In front of everyone
Stranger
My memories change
How can I be sure
You won't see the worst of me
What have you done
What have you done
You're scaring us
Pull down the curtain
And be quiet
I keep hoping
This is one of your jokes
