

# Dead to the World

## Fields of the Nephilim

Rejected by you  
For what we believe  
This world is a lie  
And you can not see  
The truth that we speak  
You dont want to hear  
You live for your world  
And you dont really care

Chained to the  
Chained to the  
Chained to the world

We've been there before  
A slave to this world  
We followed the lies  
And the truth we ignored  
Our chains have been broken  
And we see what for  
Now we have freedom  
Cuz were dead to this world

Dead to the  
Dead to the  
Dead to the world

Dead to the world  
Not slaves  
Dead to the world  
God were living for  
Not slaves anymore  
Dead to the world  
Don't be Satan's whore

I'm alive cuz I have died to  
This world  
I'll survive the end of time  
With my Lord
