

## I'm A Man

Fifteen

A man should be mentally, physically, spiritually, and emotionally available  
To his partner  
A man should be mentally, physically, spiritually, and emotionally available  
To his children  
A man should be mentally, physically, spiritually, and emotionally available  
To his community  
A man should be mentally, physically, spiritually, and emotionally available  
To the other children in his community  
I'm a man,  
At least I think  
I am A man should be mentally, physically, spiritually, and emotionally available  
To his partner  
A man should be mentally, physically, spiritually, and emotionally available  
To his children  
A man should be mentally, physically, spiritually, and emotionally available  
To his community  
A man should be mentally, physically, spiritually, and emotionally available  
To the other children in his community  
A man should abandon Power Over  
A man should embrace the notion of Power Of  
A man should abandon Power Over  
A man should embrace the notion of Power Of  
I'm a man, At least I think I am
