

Worth It

Fifth Harmony

Give it to me, I'm worth it
Baby I'm worth it
Uh huh I'm worth it
Gimme gimme, I'm worth it

Give it to me, I'm worth it
Baby I'm worth it
Uh huh I'm worth it
Gimme gimme, I'm worth it

Okay, I tell her bring it back like she left some
Bring it, bring it back like she left some
Uh in the club with the lights off
What you actin' shy fo', come and show me that you
With it, with it, with it, with it, with it
Stop playin', how you know that I
With it, with it, with it, with it, with it, with it
What you actin' shy for

Just gimme you, just gimme you
Just gimme you, that's all I wanna do
And if what they say is true, if its true
I might give me to you

I may talk a lot of stuff
Guaranteed I can back it up
I think I'ma call you bluff
Hurry up, I'm waiting out front

Uh huh, you see me in the spotlight
Ooh I love your style
Uh huh, show me what you got,
'cause I don't wanna waste my time

Uh huh, you see me in the spotlight
Ooh I love your style
Uh huh, show me what you got
now come and make it worth my while

Give it to me, I'm worth it
Baby I'm worth it
Uh huh I'm worth it
Gimme gimme, I'm worth it

Give it to me, I'm worth it
Baby I'm worth it
Uh huh I'm worth it
Gimme gimme, I'm worth it

It's all on you, it's all on you
It's all on you, so what you wanna do
And if you don't have a clue, not a clue
I'll tell you what to do
Come harder just because
I don't like it, like it too soft
I like it a little rough, not too much, but maybe just enough

Uh huh, you see me in the spotlight
Ooh I love your style
Uh huh, show me what you got,
'cause I don't wanna waste my time

Uh huh, you see me in the spotlight
Ooh I love your style
Uh huh, show me what you got
now come and make it worth my while

Give it to me, I'm worth it
Baby I'm worth it
Uh huh I'm worth it
Gimme gimme, I'm worth it

Give it to me, I'm worth it (know what I mean)
Baby I'm worth it (give me everything)
Uh huh I'm worth it
Gimme gimme, I'm worth it

Okay, I tell her bring it back like she left some
Bring it, bring it back like she left some
Uh in the club with the lights off
What you actin' shy fo', come and show me that you
With it, with it, with it, with it, with it
Stop playin', how you know that I
With it, with it, with it, with it, with it, with it
What you actin' shy for

Uh huh, you see me in the spotlight
Ooh I love your style
Uh huh, show me what you got,
'cause I don't wanna waste my time

Uh huh, you see me in the spotlight
Ooh I love your style
Uh huh, show me what you got
now come and make it worth my while

Give it to me, I'm worth it
Baby I'm worth it
Uh huh I'm worth it
Gimme gimme, I'm worth it

Give it to me, I'm worth it (know what I mean)
Baby I'm worth it (give me everything)
Uh huh I'm worth it
Gimme gimme, I'm worth it

Give it to me, I'm worth it
