

# Tragedy

## Fight or Flight

It doesn't seem I was wrong  
It takes some time to get on, I...  
I feel I'm alone  
It doesn't seem I was right  
Takes time to get on, I...  
I need to go home

And everything that I love  
Has been deceived  
Everyone who's loved my can't believe  
What I see is possible for me  
But it seems impossible to reach

I sat down with tragedy  
I spent my whole life  
To know why I believe  
I broke down the walls I keep  
I need to know why  
The world has abandoned me

I'm losing sight of my life  
I'm wasting way too much time  
Could there ever be another apology  
Abuse mine

And everything that I love  
Has been deceived  
Everyone who's loved my can't believe  
What I see is possible for me  
But it seems impossible to reach

I sat down with tragedy  
I spent my whole life  
To know why I believe  
I broke down the walls I keep  
I need to know why  
The world has abandoned me

I can't  
You can't  
We can't let this go [6x]

I sat down with tragedy  
I spent my whole life  
To know why I believe  
I broke down the walls I keep  
I need to know why  
The world has abandoned me
