

## Edge of Desire

### Fight The Fade

You're at the edge of desire  
But you're reaching higher  
Nothing can slow us down  
Yeah there's no stopping now  
Yeay!

I know you've been told, that you're worthless (that you're worthless)  
And I know you've let go of all they say (all they say)

Well I don't know what you see but there is something beautiful about this  
It's not worthless  
And I can't tell you what to believe but I can tell you that you have a purpose, if you just keep reaching

You're at the edge of desire  
But you're reaching higher  
Nothing can slow us down  
Yeah there's no stopping now  
There is a fire and its burning brighter  
Than we've ever seen, it's inside of me  
Yeay!

We both know that there's more than believing  
Because faith without action is dead  
Something tells me that it's time to begin

You're at the edge of desire  
But you're reaching higher  
Nothing can slow us down  
Yeah there's no stopping now  
There is a fire and its burning brighter  
Than we've ever seen, it's inside of me  
Yeay!

Yeay!  
It's inside of me!  
Yeah, it's inside of me!

You're at the edge of desire  
But you're reaching higher  
Nothing can slow us down  
Yeah there's no stopping now  
There is a fire and its burning brighter  
Than we've ever seen, it's inside of me  
Yeay!
