

House of Cards

Fight The Fade

You sit across the table from me, you've been trying to get me
to bleed
And every good instinct, tells me I should get up and walk away
But there's this tugging inside me, that's telling me I should
hold my ground
So you can't bluff me
Into folding that easily...

Been living in this house of cards
And the wind keeps tearing it down
But I won't live like this no more
This time I'm burning this house to the ground!

I hear you're trying to cash in, a debt I do not owe
But what you fail to remember is, that I've got an ace in the hole
And my debt has been paid, and it's paid in full
So you can't bluff me
Into folding that easily...

Been living in this house of cards
And the wind keeps tearing it down
But I won't live like this no more
This time I'm burning this house to the ground!

I'm, turning the tables, on you!

Been living in this house of cards
And the wind keeps tearing it down
But I won't live like this no more
This time I'm burning this house to the ground!
