

Monster

Fight The Fade

People say I've been changing
I don't act the same
My mind's rearranging
I don't feel a thing
I'm not the kid that I used to be
I've grown into a man
They just don't know the other half of me
What I really am

When I look at myself in the mirror
I can see clearer

I'm nothing but a monster
You can see it in my eyes
It's crawling under my skin
And I don't think I can hide what I am
Anymore
I'm nothing but a monster

There's a devil on my shoulder
He's trying to come in
He said you might think you know me
But you don't know my sins
There's a place where my demons try to hide
Deep down inside of me
For so long I've kept them locked away

But tonight I'm settin' them
When I look at myself in the mirror
I can see clearer

I'm nothing but a monster
You can see it in my eyes
It's crawling under my skin
And I don't think I can hide what I am
Anymore
I'm nothing but a monster

The man in my reflection
And I am not the same
You see him in my likeness
He answers to my name

When I look at myself in the mirror
I can see clearer

I'm nothing but a monster
You can see it in my eyes
It's crawling under my skin
And I don't think I can hide what I am
I don't think I can hide what I am
I'm nothing but a monster
